5. Your account has been successfully created and you have received an email to activate it.
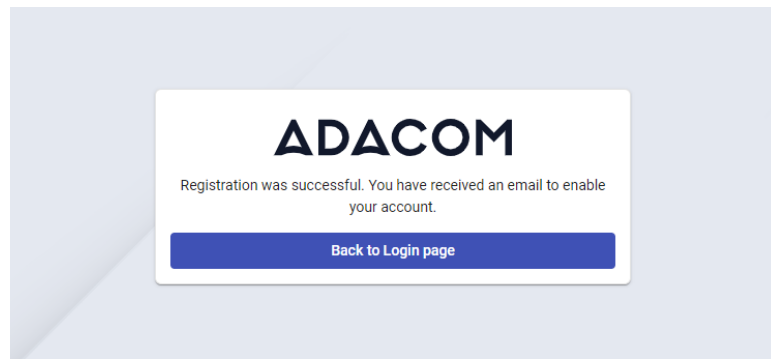

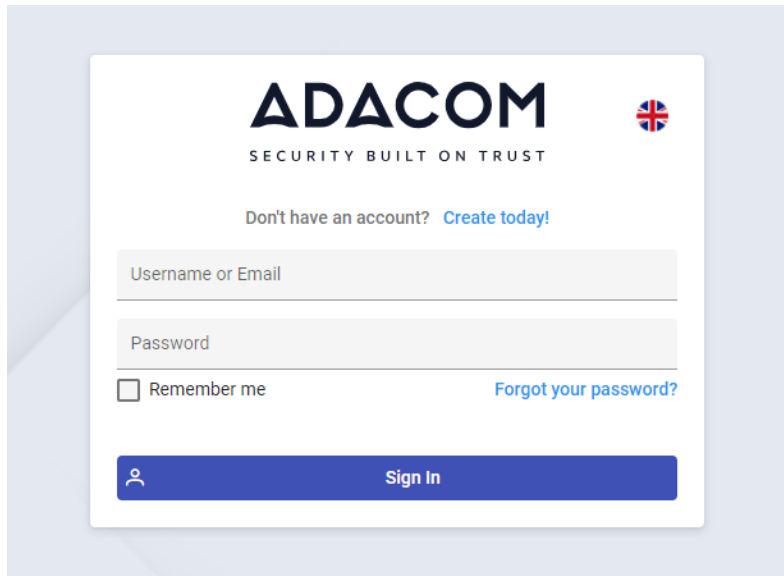

Figure 5-Successful registration

6. Once you follow the link in your email, your account will be activated, and you can login.
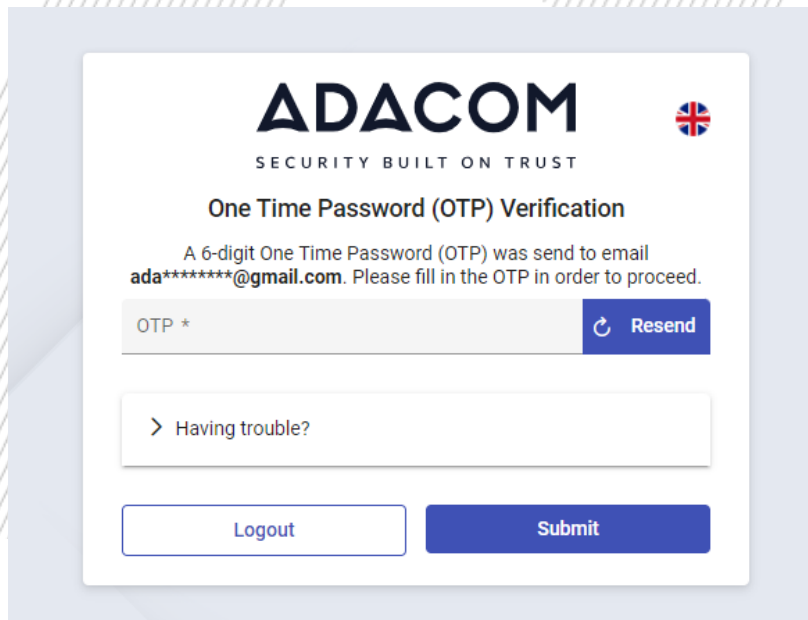

3. Instructions to sign in to your account

1. Visit the following link and select **"Login":** https://aqs-portal.adacom.com/aqs-portal/landing.xhtml enter the **Username or Email** and **Password** you set during your registration in the AQS portal and click **Sign In**.

Figure 6-User login

2. An OTP code will be sent to your email, enter it in the relevant field and click **Submit.**

Figure 7 - OTP Verification

3. You have successfully logged into your account. Welcome!

Figure 8- AQS portal Home Page

4. Instructions for submitting your application.

Once you complete your order through the ADACOM e-shop, you will receive in your email the order number as well as the receipt code of your certificate, which you will use in the AQS portal as shown in Figure below.

1. From the left menu you will select the field **Certificate receipt code** and enter the receipt number of your certificate and press **Submit**
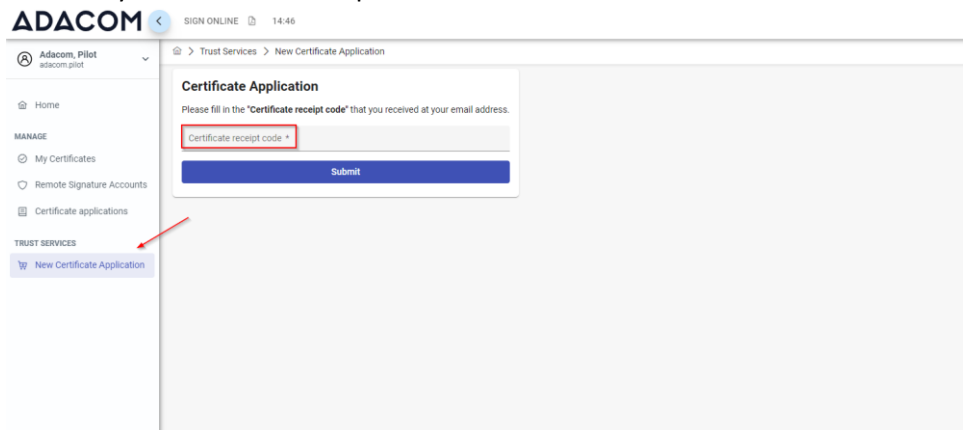

Figure 9 - Electronic Signature Instruction Email

Note for users who want to renew their certificate:

The following action is only performed by users who already have an active qualified certificate for electronic signature that is expires soon.

To renew your certificate, you must select from the left menu: My certificates and then the Renewal Certificate button as shown below:

When you click on Renew you will see the field to enter the certificate receipt code you received via email.

The email you receive is like the following:

Figure 10-Certificate Receipt Number

2. You will then see the information about your order details and you can select the "**Next**" button to continue.

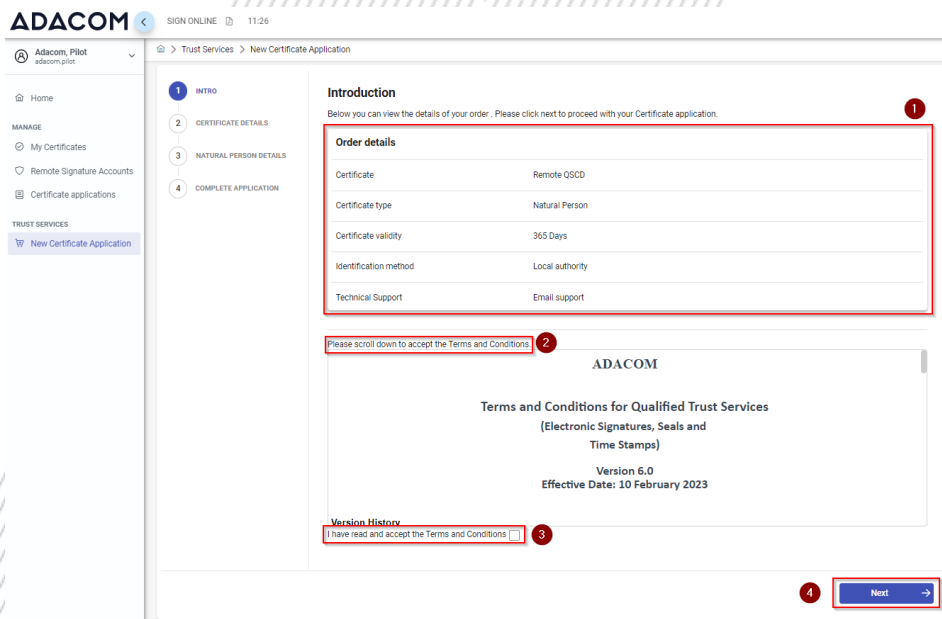

Figure 11-Order Details

3. In the certificate information you will need to select one of the following options for the Serial number of the certificate and click **Next**:
   - o Default (recommended)
     If you choose the default, the serial number of your certificate will be a random code.
   - o Id or passport
     If you select ID card, the serial number of your certificate will be your ID or passport number. (in case your ID card contains Greek characters that do not correspond to the Latin characters e.g. Ψ, Θ, Σ, Λ, Φ etc., select the default).
   - o VAT number (Tax information)
     If you choose a VAT number, the serial number of your certificate will be your VAT number.

Figure 12- Certificate Information

4. In the Natural Person's Information, you will see your details filled in (they have been filled in automatically during your registration).
    You will need to confirm that your personal data is correct, and in case you find an error in any of the fields, you can correct them from here.

    For example, your full name should appear in the same way as it appears on your passport or ID card, otherwise your application will be rejected.

Figure 13- Form for filling in data

5. Finally, before you click finish, download your certificate application form in pdf format.
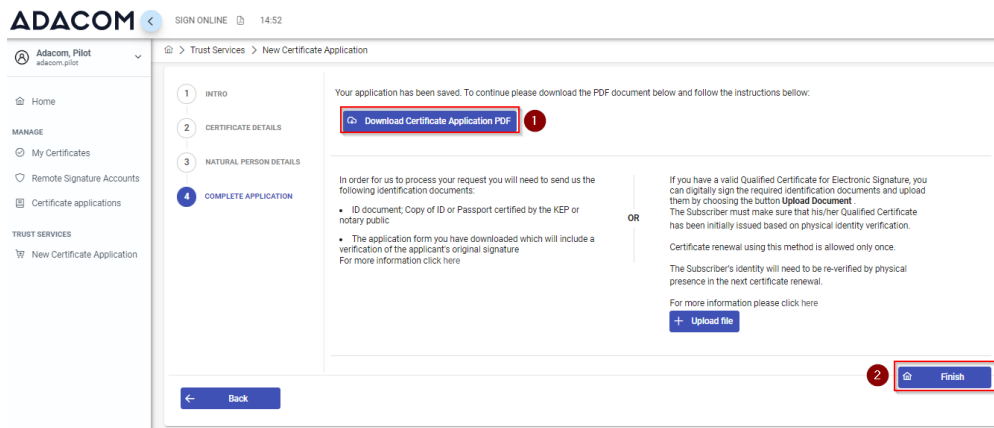

Figure 14- Application completed

In addition, at any time you wish you can view the details of your application from the option "**Application Information**" (without being able to edit them). Also, by choosing the button "Download your application" you can download your application form and by choosing the button "Upload file" you can upload files related to your application.

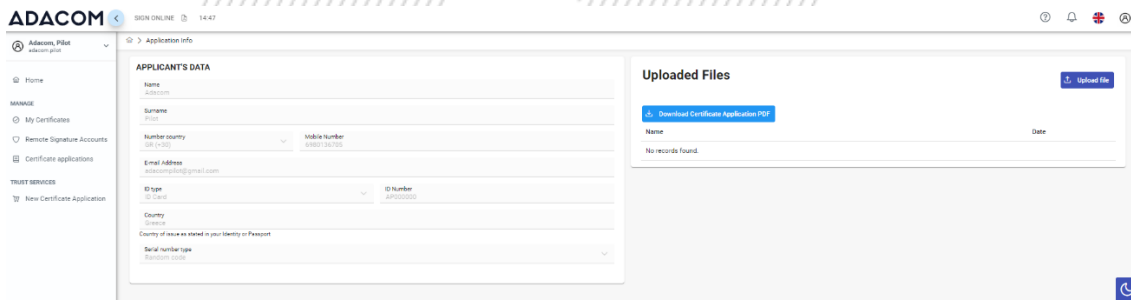

Figure 15-Application Information

5. Instructions for the Identification.

Your identification can be completed by one of the following methods:

1. **Via Physical Presence**:

    If you choose to be identified via this method, you must deliver the following identification documents in hardcopies to our premises (Kreontos 25, 10442, Athens, attn. ADACOM LRA):

    ✓ Identification document of the natural person to whom the certificate will be issued: Identity Card or Passport certified as being an exact copy of the original, at a notary public or by an attorney.
    ✓ The application form (available to the subscriber upon completion of the online request through the AQS portal) which will include a verification of the applicant's original signature from a notary public.

2. **Using an existing qualified electronic signature**:

    If the Subscriber already has a valid Qualified Certificate for Electronic Signature or Electronic Seal, he/she can digitally sign the required identification documents and send them via email to lra@adacom.com or upload them through his/her profile on ADACOM's AQS portal.

    The Subscriber must make sure that his/her Qualified Certificate has been initially issued based on physical identity verification.

    Certificate renewal using this method is allowed <u>only once</u>. The Subscriber's identity will need to be re-verified by physical presence in the next certificate renewal.

   More information about ID documents can be found here.

<u>Application Process</u>

After submitting your documents, your application will be reviewed and processed by ADACOM's LRA/RA department, and you will be notified within 2 working days for its progress:

➢ If your identification is successful, LRA/RA will approve your request and you will receive an email and SMS notification to your mobile phone in order to proceed with the steps described in section 6.
➢ If your verification is not successful, LRA/RA will notify you about any further actions required. You must repeat the steps of paragraph 4. (Instructions for submitting your application.)

6. Instructions to activate your electronic signature.

To issue and activate your qualified electronic signature login to your portal account and follow the steps below:

1. From the left menu select **Home** and then click the button [⊘ Enroll] on your RA approved application**.**

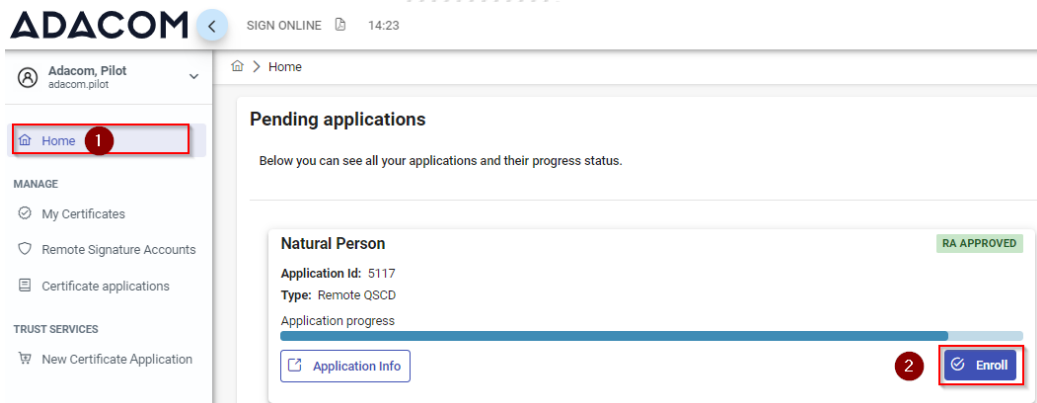

Figure 16- List of submitted applications.

2. In the introduction that appears, select **Next.**

Figure 17-Introduction

3. Then you must download ADACOM's authenticator app on your mobile phone. Then select **Next.**
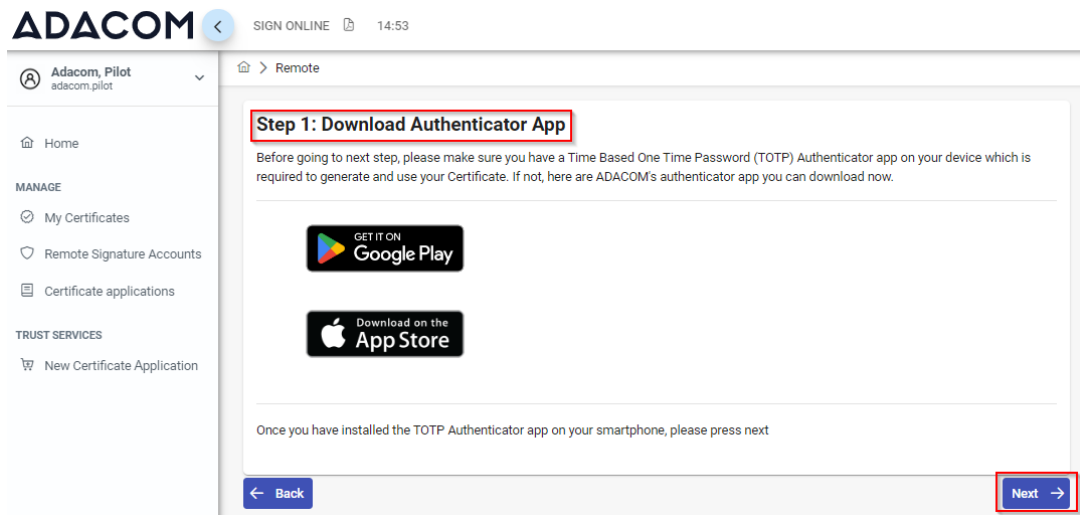

Figure 18- Authenticator App

4. In step 2, you should receive automatically an email containing your unique QR code for your electronic signature. Please **do not delete this email** because you will need it in case you lose or change your phone device. If you have not received the QR email at this point, select Resend OTP to email.

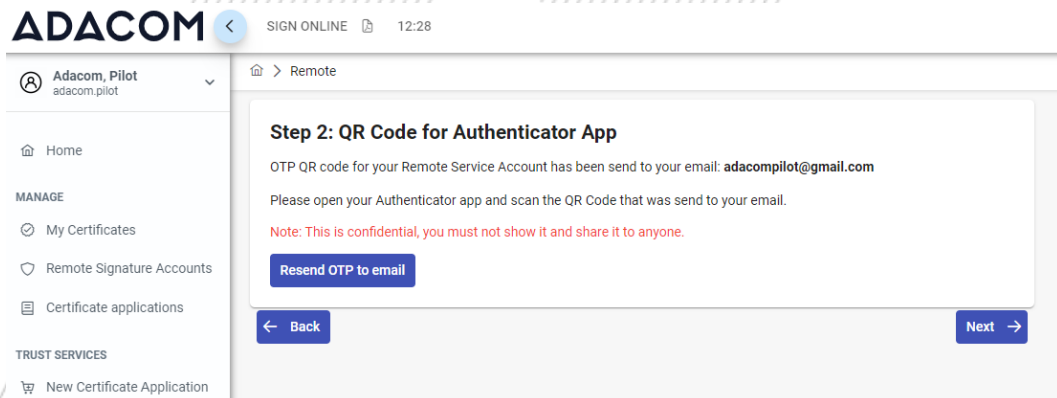

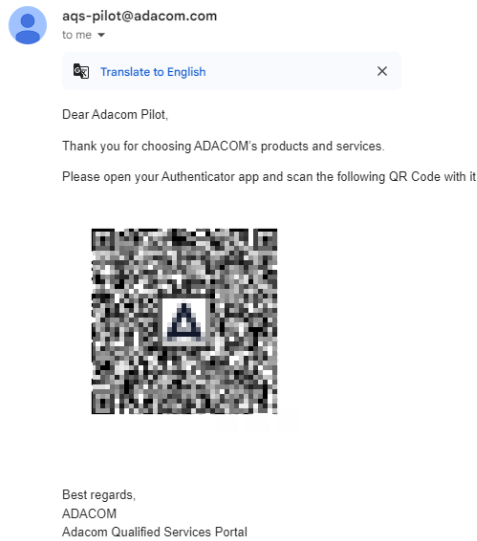

Figure 19-QR code email

Figure 20-QR code email

5. In step 3 you must keep the RSA username generated by the system as you will use it to log in to www.aqs-sign.adacom.com and sign your documents.
   Then you will set:
   a) the desired password of your certificate.
   b) You will repeat the desired password.
   c) you will enter the OTP code from the authenticator app.

Figure 21-Activate RSA account.

6. Your certificate has been successfully created!
